

Workshop Hello Japan

On 04th May 2016, the University of Tsukuba Tunisia Alumni Association (UTTAA) organized in collaboration with Japanese Embassy in Tunisia and National School of Advanced Sciences and Technologies of Borj Cedria, Tunisia (ENSTAB) a workshop to introduce Japanese culture and scholarship opportunities. About 70 students, who are motivated to study in Japan and to discover Japanese culture, attended this event. Mrs Hatano Kinue from Japanese Embassy introduced the main features of Japanese culture by showing an attractive movie. She also showed how to make Origami. Students expressed a high interest in doing a Somurai helmet. Then, Mrs Hounayda Ksouri gave an overview about Japanese government (Monbukagakusho) scholarship. Dr. Fatma Hachani who is former student from UT, introduced UTTAA activities. She emphasized on the relation between UT and Tunisian universities. She promoted University of Tsukuba programs and she encouraged the students to apply for UT. We invited also two formers students graduated from Japanese Universities to talk about their experience in Japan. Dr. Mohamed Mehdi Bassem from Tokyo University of Agriculture and Technology and Dr. Olfa Daboussi from Seikei University. The attendees followed the speakers with a great interest. At the end, students asked many questions about studying in Japan. Finally, the director of the ENSTAB of Borj Cedria, Pr. Faouzi Chaabane reiterated his request to strengthen the collaboration with UT which can be fruitful for the students. UTTAA will try to contribute to build the bridge between UT and Tunisian Institutes.
