

On August 22th, 2016, Dr. Anis Chekirbane, Dr. Henda Jelassi, Dr. Fatma Hachani, Dr. Mohamed Kefi and Dr. Rim Nefissi Ourteni have the opportunity to discuss about the second University of Tsukuba Overseas Alumni Conference. The discussion dealt with a brief reminder about past activities realized during 2016 and the plan for next year. As a follow up of this informal meeting with friendly atmosphere, we decided to request for the official establishment of the UTAA to the Tunisian government and to try to organize an event to celebrate the 60th anniversary of diplomatic relationship between Tunisia and Japan.
